

# Walton High School Marching Raider Band

2017-2018 Commitment Day

Student/Parent To-Do List

## Step 1: Completing the Forms

- If you wish to complete your forms electronically...  
Please visit <http://waltonband.org/commit> for details on electronic form submission. *If at all possible, this is the preferred approach since it results in fewer transcription errors and it means less work for you!*
- If you must use paper forms simply complete all of the printed pages included in this packet. Print clearly, you do not want treatment of your sick or injured student delayed in an emergency!

## Step 2: Turning In Your Forms

- Electronic forms must be completed no later than Friday, April 21st, 2017 at 5pm. This will permit time for the forms to be reviewed prior to Commitment Day.
- Paper forms must be turned in to the band box by Friday, April 21<sup>st</sup>, at 6pm, or at the designated tables at Walton High School starting at 10:00am on Saturday, April 22nd, 2017. Signs will clearly mark the location of the tables. *Note that tables will close at 11:45am for the Spring Concert and will re-open for 30 minutes after the event.*

## Step 3: Turning In Your Payments<sup>1</sup>

This year you will have these options for making your first payment:

- Make your first payment online at <http://waltonband.org/fees> by Friday, April 21<sup>st</sup>, 2017 at 5pm.
- Make a credit card payment when turning in forms on commitment day.
- Pay via check, cash, or student account funds on commitment day when turning in forms.

See the *Fee Schedule* section of the **2017-2018 Marching Band Commitment Form** for further details on payments. For your convenience, you may pay your entire balance on commitment day if you wish.

---

<sup>1</sup> Credit card payments are subject to processing fee; terms and conditions for payments and refunds may be found at <http://waltonband.org/forms>
